MEMORANDUM FOR THE RECORD

SUBJECT: Future Funding of [REDACTED]

25X6

[REDACTED] advised me today of conversations between Dennis J. Doolin, OSD/ISA, and Bill Colby, DD/O, regarding funds for [REDACTED]. Following his conversation with Colby, Doolin talked with Fred Buzhardt, General Counsel, DOD, about the situation and Buzhardt feels he can persuade the Armed Services Committees to go along with the utilization of [REDACTED] in Fiscal 1973 MASF funds for payments to [REDACTED] when they are [REDACTED]. Buzhardt apparently plans to talk to the Armed Services Committee staff people in the near future.
